APPENDIX III – Coaching Certification

NATIONAL COACHES CERTIFICATION PROGRAM (N.C.C.P.)

The National Coaching Certification Program (NCCP) is a nation-wide training program designed to develop coaching excellence. The levels of the NCCP have been carefully designed by Baseball Canada to meet the needs of a wide range of coaches, from novice to elite.

How do I start my training as a baseball coach?

All coach training by Baseball Canada is now started through an on-line module at <http://nccp.baseball.ca>. Just type this URL into your computer address line. This site was developed by Baseball Canada as part of the *Initiation Coach* program. It is an inter-active self-directed training tool that you complete at your own pace and convenience. It costs \$37.45 (including taxes) and gives you access to on-line video drills, materials, practice plans and skill development tools in an easy to follow format. You continue to have access to the site after completing the on-line portion of the entry course. The focus of this module is on the 'What to Coach?' side of coaching. Once you complete the course you will be given a choice of workshops where the focus will be on the "How to Coach?" side.

NATIONAL OFFICIALS CERTIFICATION PROGRAM

Developing better officials is one of the goals of the National Officials Certification Program (NOCP) a nation-wide standardized program. Five levels of competency provide officials with the necessary instruction to officiate from club sports all the up to International competition. The program is sport specific, and baseball's five levels are divided in the following manner:

Level & Cost	Experience	Requirements	Examination	Application	Evaluation	Maintaining Status
1 \$55	None Minimum Age 12	Attend a Level 1 Clinic		All Levels of House League and up to and including 13U Rep	None	Attend Clinic Yearly

All certification clinics are one day, six hours in duration.

APPENDIX VI – Pitch Count Rules

Pitch Count Regulations

1. Any player on the team is eligible to pitch and there are **NO** restrictions to the number of pitchers a coach may use in a game.
2. An appearance shall be defined as 1 pitch thrown or more.
3. Pitchers are permitted to have a maximum of 2 appearances in the same calendar day. If a pitcher requires a rest following the 1st appearance, they cannot return to pitch in the same day. (Example: a 13U pitcher throws 29 pitches in their 1st appearance. That pitcher has not reached a rest threshold and may pitch in another game that calendar day. Another 13U pitcher throws 40 pitches in their 1st appearance. That pitcher has exceeded the no-rest threshold of 30 pitches, and cannot pitch for the remainder of the day). The official scorekeeper will calculate the total pitches thrown for that calendar day and determine the required rest starting the next calendar day. These two appearances would only occur if 2 or more games are being played on the same day.
4. Every pitch thrown in the game is counted (including foul tips, and all foul balls). Warm-up pitches between innings, or when a new pitcher enters the game, are not part of the count.
5. A pitcher cannot pitch 3 consecutive days unless a pitcher's first two (2) days combined does not exceed:

11U: 25 13U: 30 15U: 35 18U: 40 21U 45

If a pitcher's Day 1 + Day 2 total exceeds the figure shown above, they require at least one days rest. A pitcher cannot pitch four consecutive days. Minimally one days rest is required. (Example: A 13U Pitcher throws 15 pitches on Day 1 (Friday). That same pitcher throws 10 pitches on Day 2 (Saturday). The two day total is 25 pitches, which is less than the limit of 30. This pitcher is allowed to pitch on Day 3 (Sunday) to their maximum limit, which for 13U is 85.

6. The official scorekeeper will calculate the total pitches thrown for that calendar day and determine the required rest (if any) starting the next calendar day. Athletes must **not** exceed the maximum pitch count total for that day. If there is no official Pitch Count scorekeeper, the home team Pitch Count scorekeeper will become the official Pitch Count scorekeeper.
7. Once a player assumes the role of pitcher, they cannot catch for the remainder of the day. This rule allows a player to catch, and then pitch in the same game or the same day. However a player cannot pitch and then catch in the same game or day.
8. Pitchers will be permitted to finish the batter if their maximum pitch limit has been reached for that calendar day. (e.g. 75 for a 11U pitcher, 85 for a 13U pitcher)
9. Intentional walks will be included in Pitch Count totals if thrown.
10. Required Rest shall be defined in "Days" starting at 12:01 a.m. and ending at 11:59 p.m. of the next calendar day.
11. A pitcher who is removed from the mound during the game shall not be permitted to return to pitch in the same game, even if the pitcher is retained in the game in another position.

Rest required	11U Number of Pitches	13U Number of Pitches	15U Number of Pitches	18U Number of Pitches	21U Number of Pitches
None	1-25	1-30	1-35	1-40	1-45

APPENDIX IX – Travel Assistance

Travel Assistance / Hotel Fee

Each team attending a Baseball Canada National Championship is required to provide the host with \$4,000 to cover the cost of accommodations. Host sites committees for national championships require about \$120,000 to host a championship event with 50% of this figure being housing. This \$4,000 fee does not apply at the regional 13U championships.

Baseball Manitoba will pay the \$4,000 Accommodation Fee for teams attending national championships. However, there will not be any travel assistance funding. This Accommodation Fee is for teams representing Manitoba at National (Baseball Canada) interprovincial “AAA” competition (13U to Senior).

There is no Travel Assistance to Western Canada Championship competition, with the exception of the Senior “AA” All-star category and the 13U “AAA” Western Canada/Baseball Canada event. In addition, there is no Travel Assistance for any intra-provincial (in Manitoba) competition.

	Sask.	Alberta	BC
Senior Westerns	\$1000	\$2000	\$3000
13U “AAA” Western/Nationals	\$1000 To be split amongst all Manitoba teams attending	\$2000 To be split amongst all Manitoba teams attending	\$3000 To be split amongst all Manitoba teams attending

Flights/Transportation for Western Canada or National Competition

Teams traveling for Baseball Canada National Championships to Ontario, or to the Western Provinces (Saskatchewan, Alberta and British Columbia) will be responsible for their own travel arrangements. The same applies for team attending the Western Canada Baseball Championships. Baseball Manitoba will not be booking flights or arranging transportation to these locations. Baseball Manitoba will only pre-book flights to Quebec or the Maritime provinces.

APPENDIX XI – Chef de Mission

Western Canada and National Championships

CHEF DE MISSION

BASEBALL CANADA NATIONAL CHAMPIONSHIPS

Baseball Canada requires a Chef de mission from each team for National Championships. The Chef de mission, or Business Manager, is to serve as the representative of the team and Baseball Manitoba, and is to travel with the team and be responsible for the team's conduct (in conjunction with the head coach) off the field.

The Chef de mission should be the primary point of contact for the team in its dealing with Baseball Canada officials and the host committee.

These dealings include, but are not limited to:

- Must attend all meetings at the National Championships (even if this means missing a team game)
- Team transportation issues
- Team accommodation issues
- Team meal issues
- Protests involving the team
- Team Discipline
- Tournament rescheduling that affects the team
- Any team related financial issues

The Chef de mission must always be available and reachable by the Host Committee and Baseball Canada representatives, and thus cannot be a coach. The Chef de mission should be familiar with the information in the Baseball Canada Participants Guide.

This is an important position, as this person not only acts for the team, but also represents Baseball Manitoba. A Tournament post event report is required by Baseball Manitoba following the championship. The Chef de mission will receive \$100.00 for their duties following the submission of the report.

WESTERN CANADA CHAMPIONSHIPS

For Western Canada Championships, the host province appoints a Master Chef, who serves as the Chef for all teams. This person will liaison with the Western Canada Rep and the Host Committee, and will be responsible for team conduct (in conjunction with the head coach) off the field, and any issues arising including accommodations.

Baseball Canada RBI Program (Recognizing Baseballs Ideals)

Winnipeg South Minor Baseball Association was the first Baseball Canada RBI Approved Program in Canada. Since then, Red River Valley, North Winnipeg, St. James, South Central and Carillon have been approved. Carillon has gone so far as to have all of their baseball communities RBI approved.

The RBI Program was introduced in 2008 by Baseball Canada to:

- Ensure that local baseball associations apply core common criteria to ensure that consistent good practices are in place
- To ensure that RBI Accredited Associations are recognized through a common approach to branding.
- To provide a focus around which all baseball associations in Canada can come together to support good practice in working with children and young people.
- To promote and reward registration/membership within Baseball Canada, as well as within the Provincial Baseball Associations.

Further details can be found at the Baseball Manitoba website at <http://www.baseballmanitoba.ca/rbi>

2018 “AAA” 13U & 15U QUALIFIERS

- The Winnipeg “AAA” playoffs (WABA) will be one Qualifier for 13U & 15 U. The other qualifier will involve all the rural teams.
- **13U** - 3 of the 5 WABA teams would advance to provincials along with the North Winnipeg host team. 6 of the 8 rural teams would also advance. This will result in a 10 team provincial championship.
- **15U** - 3 of the 5 WABA teams would advance to provincials along with the St. James host team. 6 of the 8 rural teams would also advance. This will result in a 10 team provincial championship.
- At the Rural Qualifier, if the provincial host is in the top 5 of the standings, the next highest ranked team would then attend the provincial championships. (Does not apply for 2018)
- No pick-ups are allowed for provincials from the teams that do not qualify

NOTE: In years where the provincial is hosted in Winnipeg, the host team would take part in the WABA playoffs, but because they are already in the provincials, would not be in the mix for teams advancing. 3 of the remaining 4 teams would advance to provincials. Then, for the rural Qualifier, 6 of the 8 teams that play would advance to provincials.

Current Qualifier and Provincial schedule

13U “AAA” Qualifier	Minnedosa	July 20-22
13U “AAA” Provincial	W. St. Paul	August 3-5
15U “AAA” Qualifier	Winkler	July 20-22

RESIDENCY RULES

1. Each league determines the actual geographic boundaries of the area from within which it shall select players. These boundaries must be described in detail and shown on a map and dated.
2. Any disputes regarding boundaries between leagues, and final determinations of boundaries will be made by a sub-committee of the Competition Committee.
3. Players will be eligible to play with a league only if they reside within the boundaries provided. No player residing in a Zone 2 community may play with a Zone 1 team, and vice-versa.
4. For Baseball Manitoba purposes the principal residence for all 18U age category and younger players shall be the actual physical structure in which the person resides (not box office) as of April 1. This is the designated geographical area where the primary care giver resides.
5. An “address of convenience” is not permitted. Baseball Manitoba does not recognize temporary relocation for baseball registration purposes only. The penalty for violation of this rule may result in the disqualification of a player, team or entire league from regular season and/or provincial championship competition.
6. Residence is established by:
 - a) The parents’ usual residence when parents live in the same house, or if one of the parents is deceased, the usual residence of the surviving parent as of January 1 of the current calendar year.
 - b) In cases where parents do not live in the same residence, the legal residence is the usual residence of the parent having legal custody of the player; or, if both parents have legal custody, the usual residence of the parent with whom the player usually lives; or again, if the player lives equally with both parents, his place of residence shall be determined by Baseball Manitoba as of January 1 of the current calendar year.
 - c) When legal custody has been granted to a third person, the usual residence of that person (in which case there must be a Court order or other lawful proof of guardianship) as of April 1 of the current calendar year.

NOTE: The term “usual residence” is defined as four (4) out of seven (7) days.

NOTE: In the application of the above, the term “legal custody” and/or “legal guardian” refers to the granting of custody as determined by a Court of Law in one of the following circumstances:

- a) the application of the Divorce ACT,
- b) in the case of an order enforcing or recognizing a legal separation agreement,
- c) loss of parental authority,
- d) when it is deemed the child's development is compromised,
- e) when both (2) parents are deceased,
- f) married, or the equivalent of married

APPENDIX XIV – Residency Rules (cont.)

7. Players who are required to change residence and continue to live with their parents will automatically be released.
8. If a player moves with parent or guardians, new residency for purpose of baseball must be established prior to April 1 of the current calendar year.
9. Baseball Manitoba shall retain the right to request the information listed below, but is not limited to, in order to confirm residency status. Residence shall be established and supported by documents dated on or in force between April 1st of the previous year and April 1st of the current year, from three or more of the following categories to determine residency of such parent(s) or guardian:
 - i. Property Tax Assessment
 - ii. Current utility statement or credit card statement (i.e. gas, electric, water, phone)
 - iii. Manitoba Driver's License
 - iv. Rental agreement or bill of purchase of new residence
 - v. Voter's Registration
 - vi. Welfare / Child Care Records
 - vii. Local (municipal) Records
 - viii. Insurance Documents
 - ix. Military Records
 - x. Internet, Cable, or Satellite Records
 - xi. Vehicle Records
 - xii. Financial Records (loan, credit, investments, etc.)
10. Any documents submitted as proof of residence must show customary usage or consumption to demonstrate bona fide continuous habitation by Baseball Manitoba in its discretion. It is recommended that leagues require some proof of residence within the league's boundaries at the time the player registers. Players and their parents/guardians are advised that a false statement of residence may lead to ineligibility to baseball. .
11. If the claim for residency is challenged, three of the above materials must be submitted to Baseball Manitoba, with an affidavit of residency from the parent(s) or guardian. Baseball Manitoba shall decide the issue, in its sole discretion, and that decision will be final and binding. Residency documents must illustrate that the residence (as defined above) was inside the league's boundaries throughout the regular season.

Sport Manitoba's **RESPECT IN SPORT PROGRAM**

Sport Manitoba and Baseball Manitoba believe in being proactive to ensure sport in our province is safe and welcoming for all participants. Respect in Sport helps us promote those values through a simple and convenient on-line training course for coaches and sport leaders. It is designed as a tool to assist coaches in identifying and dealing with abuse, neglect, harassment and bullying in sport. Respect in Sport enables coaches to deal with legal and moral responsibilities, making them less vulnerable and more confident in dealing with sensitive issues. A risk management tool, Respect in Sport will help sport organizations reduce liability.

As a mandatory Sport Manitoba requirement, all coaches from all sports (every Rally Cap, Grand Slam, “A”, “AA” and “AAA” baseball coach) MUST have the “Respect in Sport for Activity Leaders” course completed by May 15, 2018, or their name will be removed from the roster. The Hockey Parent one is NOT valid for a Baseball coach.

The course is three hours in length but can be completed at the coach's leisure, in its entirety or in segments at their own pace. The program is available in both English and French and is provided free of charge to all coaches. **To complete this course, go to www.baseballmanitoba.ca/respect-sport**

For those coaches who completed their Respect in Sport for coaches over 5 years ago, they must **recertify** with the new two and a half hour Respect in Sport for Activity Leaders course as part of their requirements of being a coach in Manitoba. Recertification was always a requirement of the program but has not been available until now. If the email address on their Respect in Sport Profile is correct and hasn't changed they should have received an email from the Respect in Sport group letting them know they need to re-certify or their certificate will no longer be active. All coaches should be encouraged to check if their Respect in Sport is still valid.

Go to <https://sportmanitoba.respectgroupinc.com/> to complete the course as soon as possible. The steps to recertify now are available at <http://www.sportmanitoba.ca/coaching/respect-sport>. To sign in – you will need your user name (your PSO as well as Coaching Manitoba will have) and your special date (this is your birthdate). If you have any questions, please contact us or Coaching Manitoba at 204-925-5692 or gena.cook@sportmanitoba.ca.

Once coaches have completed the RIS-Activity Leaders course, they will have 5 years until they are required to recertify. At that time, they will receive an automated email from the Respect Group letting them know it is time to recertify to stay active.
