### Introduction

This section is designed to provide an insight into the conducting of a Manitoba Baseball Association Provincial Championship and general knowledge of the responsibilities and duties of the Host Committee in the planning and running of the tournament. While this manual is to be considered a guideline, there are some necessary components to hosting that must be followed. That said, each provincial championship is unique in that each community is allowed to stamp local flavor into the tournament. Throughout the year, the Host Chairperson will receive notices from the Baseball Manitoba office staff regarding information and processes to help make this event a success.

## **10.0 Baseball Manitoba Sponsorship**

10.1 Baseball Manitoba will be attempting to secure sponsors for each age category (regionals or finals). If successful, the Host Committee must agree to comply with the terms agreed to by Baseball Manitoba. This would involve things like a placement of a banner or distribution of product to the participants. Any such agreement will be specifically outlined to any Host Committee prior to the tournament.

### PROVINCIAL TOURNAMENT DRAWS

All Provincial Tournament Draws will be formulated in the Baseball Manitoba office. These draws will be forwarded to the host site 1 month prior to the tournament. This will allow the host sites to see the format to be used, and then actual starting times can be worked out with the office.

**“AAA”** – The Provincial 13U & 15U “AAA” Championships will be conducted with 10 teams. The 18U championships will have all teams entered.

To determine the representatives to the 13U & 15 U provincials, all 13U & 15U “AAA” teams would be entered in a qualifier.

- The Winnipeg “AAA” playoffs (WABA) will be one Qualifier. The other qualifier would involve all the rural teams.
- 4 of the 5 WABA teams would advance to provincials, and 5 of the 8 rural teams plus rural host would advance. This would result in a 10 team provincial championship.
- This will make seeding of provincial championships easier.
- At the Rural Qualifier, if the provincial host is in the top 5 of the standings, the next highest ranked team would then attend the provincial championships.
- No pick-ups are allowed for provincials from the teams that do not qualify

NOTE: In years where the provincial is hosted in Winnipeg, the host team would take part in the WABA playoffs, but because they are already in the provincials, would not be in the mix for teams advancing. 3 of the remaining 4 teams would advance to provincials. Then, for the rural Qualifier, 6 of the 8 teams that play would advance to provincials.

The Qualifying Tournaments to determine the other representatives to the provincials will be held the weekend prior to the provincial championships.

If 6 or 7 teams are entered, the Qualifying Tournaments will be a full round-robin:

- If six teams are involved, the Round-Robin will be 5 games per team (1 on Friday, 2 on Saturday and 2 on Sunday). Following the round-robin, the top 5 teams will go on to the provincials.
- If seven teams are taking part, that will mean 6 games per team (2 on Friday, 2 on Saturday and 2 on Sunday). Following the round-robin, the top 6 teams will go on to the provincials.

However, if 8 teams, there will be two pools of 4 teams. The Pool champions will play for 1<sup>st</sup> & 2<sup>nd</sup> seeds, the 2<sup>nd</sup> place teams will play for 3<sup>rd</sup> & 4<sup>th</sup> seeds, and the 3<sup>rd</sup> place teams will play to determine the #5 and #6 seeds. The other teams will be eliminated.

**All eligible teams must be determined by the deadline of June 15.**

# ***HOSTING GUIDELINES***

---

---

**“AA”** - - All eligible leagues are allowed to send one “AA” team per age category (the Winnipeg region will send 5 teams from their play-offs). There could be as many as 16 teams entered into a Provincial “AA” Championship.

**“A”** - - There will be a maximum of 12 teams entered into a Provincial “A” Championship. Only Zone 2 Leagues (Rural) may enter.

The format for the provincials will be determined based on the number of teams attending

**Note 1:** There shall be no deviation from the schedules; however host sites have some flexibility in determining times of games if lights are available at the site.

**Note 2:** If a three (3) way tie for 1st place occurs, then the tie-breaking formula will determine 1st place in the pool. The other two teams will have a play-off game to determine second place. This game will be scheduled by the convener and host committee.

## **3 Pool championships:**

For those championships that have teams grouped in 3 pools, the following process will be used to determine teams that qualify for the championship round.

1. Following pool play, the Pool Champions will be ranked 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup>. A pool champion cannot be ranked lower than 3<sup>rd</sup>. Rankings will be determined by
  - Won-Loss Record
  - Formula (Runs against divided by defensive outs)
2. The 2<sup>nd</sup> place teams in each pool will be ranked 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup>. Rankings will be determined by
  - Won-Loss Record
  - Formula (Runs against divided by defensive outs)
3. The 1<sup>st</sup> and 2<sup>nd</sup> place teams will receive byes.
4. The Quarter finals will have the 3<sup>rd</sup> place team will play the 6<sup>th</sup> place team, and the 4<sup>th</sup> place team will play the 5<sup>th</sup> place team.
5. Following the Quarter finals, the teams will maintain their rankings for the seeding of the semi-finals. The 1<sup>st</sup> place team will play the lowest ranked advancing team, and the 2<sup>nd</sup> place team will play the highest ranked advancing team.
6. The winners of the Semi-Finals will meet for the championship.

**TOURNAMENT RULES**

***Tie-Breaking Rule (Round-Robin Events Only)***

Two Teams Tied - Round-robin winner in game between tied teams shall advance.

Three Teams Tied for first- When three teams are tied for first place in a round-robin draw the team with the best win-loss record in the game(s) played between or among the tied teams will place higher in the standings. Following this, if the three teams are still tied for first place, one team will be awarded first place based on the three teams tied formula (as shown below). The remaining two teams will play a tie-breaking game. The winner of the game will advance along with the first place team to the play-offs. This tie-breaking game will only be played when the tied teams have zero or one loss. If all tied teams have two losses, the formula will for tied teams will determine the teams that advance.

Three Teams Tied for second- When three teams tie for second, the team with the best win-loss record in the games between or among the tied teams will place higher in the standings. Following this, if the three teams are still tied for second place, the three teams formula will be used to determine standings. There will not be any play-off games.

***Three teams tied formula (use these in the order they are listed)***

- 1) Runs Against  
Defensive Outs (= Lowest Ratio Advances) (Games between tied teams only)

*Example for 13U*

Team A - 11      Team B - 1      21 defensive outs charge to Team A for a Mercy Rule win. 15 defensive outs charged to Team B

Team C - 9 Team A - 8      in 21 defensive outs

Team B - 15      Team C - 13      in 21 defensive outs

	<u>Team A</u>	<u>Team B</u>	<u>Team C</u>
Runs against	10	24	23
Number of defensive outs	42	36	42
Ratio	.238	.667	.548

*In this example, Team A is declared first*

For tie-breaking procedures if a game is forfeited, the final score will be recorded as 1 run per scheduled inning (6 for 11U, 7 for 13U, 15U and 18U), or the actual score for the team awarded the win, whichever **run differential** is greater. This is the score that will be used if necessary in the formula.

- 2) Runs For  
Offensive Outs (= Highest Ratio Advances) (Games between tied teams only)
- 3) Runs Against  
Defensive Outs (= Lowest Ratio Advances) (All games included)
- 4) Runs For  
Offensive Outs (= Highest Ratio Advances) (All games included)
- 5) Three-way coin flip.

# **HOSTING GUIDELINES**

---

NOTE: When a multiple tie occurs and is only partially resolved, the remaining ties will be resolved by continuing on with the remaining tie breaking priorities until all 5 priorities have been exhausted. In continuing, the statistics of all the originally tied teams are still used until all priorities have been applied. Then and only then will the remaining tied teams return to priority number 1 and proceed through the order again.

In the event of a 6 team pool modified event, where all teams do not play each other, and a 3-way tie occurs, the tie-breaking rules will be followed as above (best record amongst tied teams), even if the number of games played by all teams is not equal. For example, a 1-0 record will trump a 1-1, or 0-1 record.

## **Playing Rules**

- 1) C.F.A.B. playing rules apply for all tournaments.
- 2) Pitching rules - as per C.F.A.B. Rulebook
- 3) Length of Games:  
Mosquito - 6 innings  
All others - 7 innings  
Frank Richardson (Sr.) - 9 innings
- 4) Mercy Rule:
  - For leads of 10 runs or more, the game will be called after:
  - Mosquito - 4 innings (3 1/2 if home team leads)
  - All others - 5 innings (4 1/2 if home team leads)
  - For run calculations, in a mercy rule game, the winning team will receive for 7 defensive innings (21 outs) while the losing team will only receive credit for the actual innings played and actual outs achieved. 11U will receive credit for 6 defensive innings (18 outs)
- 5) Designated hitter is for the pitcher only (if allowed by age category).
- 6) No courtesy runner for the catcher.
- 7) **GAMES WILL NOT END IN TIES.** All games are played until a winner is decided. Any tied games, if stopped due to weather or lack of sunlight will be considered suspended, and when play is resumed, will start at the point at which they were stopped. All regular pitching rules will still be in effect and are not circumvented due to the interruption.
- 8) Pitching rules for age advance players: The pitching restrictions for age advanced pitchers will be followed depending on the date of birth of the pitcher, not the age category the pitcher is playing. Thus an age advanced pitcher will be bound by the eligible number of pitches for their chronological age, not for the category they are playing. (Example: a 15 year old 15U pitcher who is age advanced to play 18U will be limited to the 90 pitch limit – the 15U limit, instead of the 100 pitches – the 18U limit)
- 9) Pitch Count: For any games moved to a new weekend due to weather issues, all pitch counts will remain in force as if the original weekend was still being played. Pitchers are not to be granted fresh pitching starts even though there may be days rest involved.

- 10) Baseball Manitoba has adopted the Baseball Canada extra-inning procedure as follows:
- If the game is tied at the completion of regulation (7 innings, or 6 for 11U), the following procedures will be implemented during extra innings:
  - Each team will begin the extra inning (and any subsequent necessary extra innings) with a player on first and second, no outs.
  - The batting order of the extra inning or any subsequent innings will be determined by how the previous inning ended.
  - The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.

Example:

If the last regulation inning ends with the #6 hitter having the last plate appearance, then the extra inning begins the #7 hitter at bat, and the #5 hitter at second base and the #6 hitter at first base.

For the Tie-breaking formula and extra inning rule, only the runs scored/allowed in the regulation innings be counted in the run ratio. Do not use the extra inning stats in the tie-breaking formula.

## **The Host Committee**

### **Organization**

As in planning for any event of the size and scope of a Provincial Championship, the first step is the formulation of a key group of volunteers. This group of volunteers will perform the "lion's share" of all tasks which must be accomplished in order for an event like this to be a success. Within this group there is always a key person, the one person to whom Baseball Manitoba can refer all matters not specifically covered under the duties and responsibilities of the many others involved. This is the Host Chairperson. This person oversees the local non-profit group organizing the hosting of the Provincial Championship and should be familiar with tournament operations. Directly under the Host Chairperson we have Division Directors, each of whom is responsible to the Local Chairperson for a major division of organization. The Local Chairperson, the Division Directors and the officers of the host group make up the Host Tournament Committee.

### **Tournament Chairperson**

This individual supervises and is responsible for all phases of local tournament operation; serves as a general chairperson over all Division Directors; presides at all meetings of the Tournament Committee; attends meetings of divisions and/or committees within divisions to advise, direct and make assignments where she/he deems necessary. This individual is responsible for making sure that the Tournament Committee meets their responsibilities. This person should not serve as a Division Director so that she/he may be more flexible to oversee the entire operation.

# **HELPFUL HINTS FOR TOURNAMENT HOSTS**

The following is a list of items that may help your tournament run more smoothly. Use those that work best for your particular situation. Most of these are not mandatory, but recommended to provide you, the athletes and the fans with the best possible experience.

## **Dress up your fields**

- Provide signage for participants and fans (see below)
- Paint logo(s) on the field to provide profile and exposure to the community

## **Field safety considerations (liability)**

- Any exposed points on fencing and backstop repaired
- Any holes in backstop repaired
- Holes/low spots in fields patched/filled
- Ensure all bases are in good shape and safe. Permanent anchor bases work best. If using regular bases, use at least two spikes to ensure minimum movement. (Note: double check the proper dimensions for the bases. All bases are measured from the back point of home plate. The measurement to first and third goes to the back of the bag, while the measurement to second goes to the middle of the base. The pitching rubber is measured from the back of home plate to the front of the rubber.

## **Tarp the dugouts**

If you do not have enclosed dugouts, put tarps over the top of the fenced dugout, held down by bungee cords. This provides protection for the players from sun, rain, wind and also can provide some privacy for the team. Temporary wood supports may also hold the tarp. In addition, tents or sheltered areas should be set up for the fans.

## **Water**

Provide minimally at least one jug per bench, depending upon weather. Use individual cups rather than one cup. Water is very important during hot weather.

## **Grounds maintenance**

- Set up a field maintenance committee to oversee the preparation of the fields.
- Paint home plates and pitch plates white to for visibility, ensure they are attached solidly in the ground.
- Have extra sets of bases available at each field.
- Scarify and drag the infield to soften it. Fields that are too hard result in “rockets” and possible injury.
- Have tampers and material to fill low spots on mound and at plate.
- Have some rakes/brooms for smoothing field.
- Have on hand some *Diamond Dry* (a commercial product) or cat litter, some sand and spare infield material to help with wet field conditions.. Note: sand only displaces the water, it doesn't dry it up. *Diamond Dry* and cat litter absorb moisture.
- If the weather gets dry, irrigation of the field is important. Few diamonds have underground irrigation, but all can have access to water trucks, water cannons, hoses or the like.
- Have some large sponges, buckets and/or a pump to help remove sitting water.
- Make sure the fields are chalked, especially the foul lines. Foul poles are a nice touch if possible.

## **Signage**

The following signs are some suggestions to help warn/inform players and fans:

- “Please be alert at all times. Keep your eyes on the playing field. Flying balls, bats or other objects of the game will leave the playing field”
- “No batting practice (or soft toss) against the fence”
- “No pepper or playing catch between the dugouts”

# **HELPFUL HINTS FOR TOURNAMENT HOSTS**

---

- “Not responsible for personal injury, lost or damaged property”

Provide a list of prohibited items:

- (alcohol, pets, profanity, glass bottles etc., whatever applies) e.g. “ No alcohol, or pets permitted on premises.”

Set up signs on the highway and signs in town telling people about the event, its location and times.

## **Scoreboard and/or announcer**

Providing a scoreboard keeps the fans informed. An announcer can add a little flair to the proceedings and help promote any fund raising activities or other events.

## **Garbage cans in or near dugouts**

Keeps the dugouts and playing field clean. Be sure they are emptied routinely to avoid spillage and insects.

## **Visible field numbers if more than one field being used (also direction signs to fields)**

Mark each field with a number or name to help clearly identify them to the fans

## **First Aid**

- Set up a first aid committee or arrange to have medical personnel in attendance
- Develop and institute an accident reporting system
- Post emergency phone numbers, procedures and hospital locations in permanent places
- Set up a first aid stand for the fans

## **Equipment**

If the teams are going to have a hitting area for pre-game batting practice, some equipment should be supplied to the fields ensure safety for the players:

- Catch nets
- screen to protect the pitcher

Set specific practice times for each team if practices are being allowed.

## **Protest Committee**

**DO NOT** have any of the coaches of competing teams or any of the umpires officiating in the tournament as members of the protest committee. Participating coaches can result in conflict of interest while use game officials can unnecessarily delay the games.

## **Schedules/Draws**

- Post the draw schedule in prominent viewing areas
- Update the draw scores after every game

## **Pitching charts (if applicable)**

- Post the **Pitch Count** chart in prominent viewing areas
- List the innings pitched immediately after the game to avoid future problems
- Have coaches sign the score sheet after each game to verify the innings pitched. Once signed, no adjustments can be made.

## **Scorekeepers**

- Assign scorekeepers to each game. Scorekeeping ability is not as important as keeping track of outs, inning, score and innings pitched and player eligibility.
- Assign Pitch Count trackers to monitor the number of pitches thrown.
- Have coaches sign the score sheet after each game to verify the innings pitched and the score. Once signed, no adjustments can be made.

***Come watch the Wesmen Baseball team!***

## **MANITOBA'S COLLEGIATE BASEBALL TEAM**

Student-athletes in the University of Winnipeg Wesmen Baseball program are getting ready for spring baseball.

This will be the 6<sup>th</sup> season for the University of Winnipeg Wesmen baseball program, and its 2<sup>nd</sup> as a member of the North Star Athletic Association, a 10 team conference of the National Association of Intercollegiate Athletics (NAIA.). The team will be playing to make the post-season tournament. The Wesmen are one of only 2 university baseball teams in Canada that play in a U.S. college baseball association.

The team played 7 official games in the fall, and will play an additional 40 games in the spring against NAIA and NCAA competition, including a March trip to Arizona.

However, unlike other Wesmen teams, the baseball team is entirely self-funded, as it does not receive any monies from the university. As the only externally funded program, the players have to pay to play, and do their own fundraising to cover all costs of the program.

Should the weather allow, the team will play its home games at Koskie Field next to Chalmers Community Centre.
