1.0 INTENT

The M.B.A. Playing Rules and Regulations is a supplement to the Constitution and By-Laws. It is intended to be an administrative document with limited flexibility for the adoption of policies which, under the circumstances of each occasion, will contribute to the success of each baseball program year.

2.0 APPLICATION TO LEAGUES AND ASSOCIATION

- 2.1 M.B.A. Playing Rules and Regulations shall apply separately to leagues and associations of M.B.A. These shall include:
- | | |
|----------------------------------|---------------------------------------|
| Minor Leagues - Zone I & Zone II | Manitoba 21U (Junior) Baseball League |
| Manitoba Senior "AA" Leagues | Manitoba Senior "AAA" Leagues |

3.0 REVISIONS TO PLAYING RULES AND REGULATIONS

- 3.1 Revision to Playing Rules and Regulations may originate with any member of M.B.A. and be forwarded to the Management Committee for a decision. Approval of the revision in its original or amended form shall require approval of the Management Committee.
- 3.2 Any additions or revisions approved by the Management Committee during the playing season shall be effective for the balance of that season. At the Annual Meeting or Semi-Annual Meeting of M.B.A. such additions or revisions approved by the Management Committee shall appear on the Agenda as a Resolution for ratification at such Annual Meeting or Semi-Annual Meeting. (Refer to Clause 15.3 of the Constitution)
- 3.3 In the event that a Resolution is defeated at the Annual Meeting or Semi-Annual Meeting, the subject shall not be introduced, either with duplicate or similar intent, during the regular playing season immediately following such Annual Meeting or Semi-Annual Meeting.

GUIDELINES FOR LEAGUE REGISTRATION

1. Players and coaches are to register at their club or community registration.
2. In the team coaches package will be a sheet of information on how to complete the Excel electronic registration spreadsheet (roster), a handbook and a rule book. These are distributed to leagues at the Annual Meeting in March. One package is to be circulated to each team.
3. At this time, the M.B.A. will also provide each league with a form to complete, which outlines the number of players registered with your league by age division and the number of teams affiliated with your league. (League Affiliation Form)
4. Teams complete the Excel electronic registration spreadsheet (roster) and return it to the person designated by their league. Teams DO NOT send the Excel electronic registration spreadsheet (roster) directly to Baseball Manitoba.
5. Leagues are to return the completed Excel electronic registration spreadsheets (rosters) to the Baseball Manitoba office by May 15.
6. Leagues forward the League Affiliation Form and fees to Baseball Manitoba by the fee deadline. These forms will be used as a summary to track player and team fees and to plan Provincial and Regional Championships.
7. Along with submitting the team fees, league must also provide a \$200.00 performance bond.
8. **Rosters for minor (9U to 18U) club (“AA”, “A”) teams are due on May 15.**
9. **Player fees and Team fees for minor (9U to 18U) club (“AA”, “A”) teams are due on June 1.**
10. **Player fees and Team fees for All “AAA” for 13U, 15U and 18U are due June 1. Rosters for these teams are due June 15.**
11. **21U and Senior “AA” player fees, team fees and rosters are due June 15.**
12. Late Excel electronic registration spreadsheets (rosters) will be accepted up to **fourteen** days after the closing date. **However, any team submitting late rosters shall be fined \$200.00 for the first week or \$500.00 in the second week.** The Association must receive this fine before a team is considered registered. This applies to individual entries as well. No team will be eligible to compete in Provincial Play if their roster has not been submitted to the Registrar by the later registration deadline. Fines will be assessed to leagues responsible, rather than to specific teams.
13. All teams must complete team rosters in order to be eligible for playoffs.
14. No teams will be accepted for individual entry from leagues that choose not to register with the M.B.A. as a whole.
15. No teams will be permitted to compete in Provincial or Regional Competition from leagues that have not paid their league fees.
16. Invoices will be sent for Provincial fees after the Provincial Championships have been conducted
17. A league shall consist of a minimum of three teams.
18. Leagues will be assessed the following fines for failure to attend the following meetings
 - Annual General Meeting (Spring) \$ 100
 - Semi-Annual Meeting (Fall) \$ 100
 - Competition Committee Meetings \$ 50 per meeting (to a maximum of 3)
 - Sport Development Committee Meetings \$ 50 per meeting (to a maximum of 3)

GUIDELINES FOR LEAGUE REGISTRATION

- a. Since the Senior "AA" Leagues, as a group, have only one vote at the AGM and SGM, each Senior "AA" League would pay a \$200 Performance Bond only. The Senior "AA" Leagues will not be fined for missing any meetings.
- b. All voting eligible Minor Leagues, the Manitoba Junior Baseball League, the Manitoba Senior Baseball League and the Winnipeg "AAA" Baseball Association and the Senior Baseball Council must send the correct amount of representatives to the AGM and SGM. If this is not met, they will be fined \$100 per meeting missed.
- c. All voting eligible Minor Leagues must meet the requirement of having someone on the Sport Development Committee. There will be a \$50 fine for each meeting missed.
- d. All voting eligible Minor Leagues, and the Winnipeg "AAA" Baseball Association must meet the requirement of having someone on the Competition Committee. There will be a \$50 fine for each meeting missed.
- e. Regarding the AGM and SGM, should leagues that have two votes only be able to provide one voting member, the requirements of attendance will still be met. For leagues that have 2 votes they should endeavor to send two representatives.

1.0 - REGISTRATION

1.01 League

- 1.01.01 Leagues shall be the basic unit recognized by the M.B.A.
- 1.01.02 Each league shall complete a League Affiliation form for each of its teams, and forward them to the M.B.A. office by the required date as listed below. **The closing date for payment of league affiliation fees shall be June 1st for all age categories.**
- 1.01.03 Excel file Roster sheets to be submitted to Baseball Manitoba on the following dates:
- | | |
|-------------------------------|---------|
| All "AA", "A" Rosters (Club) | May 15 |
| All "AAA" Rosters (All-Stars) | June 15 |
| All 21U teams | June 15 |
| All Senior "AA" teams | June 15 |
- There shall be no additions to any roster after the deadline dates. This includes "AAA" teams, as the full "AAA" roster must be complete on this date.
- 1.01.04 A roster shall consist of not more than 18 players. *Exception: Senior "AA" teams may roster up to 21 players.*
- 1.01.05 There is no limit to the number of coaches that may be on a roster. However, the number of coaches allowed on a roster for a qualifier or provincial championship is four (4). If a team has more than four coaches on their roster prior to a qualifier or provincial championship, they must declare the four that will attend as official coaches.
- 1.01.06 A league shall consist of a minimum of three teams.

1.02 Three Team League Restructuring

This rule allows small leagues of 3 teams to re-structure their teams after league play, in order to send two competitive teams to provincials (one to "AA" and one to "A")

- 1.02.01 Maximum number of players available in league so they can re-structure would be **36**. In order to re-structure following league play, a league cannot have more than 36 players registered in an age division.
- 1.02.02 For league play, a league would make 3 teams (preferably equal teams, but not mandatory), and play as a league. All 3 teams must register with Baseball Manitoba
- 1.02.03 When it comes time for the league to determine their representative teams to provincials, the league would form 2 teams – one "AA" and one "A" from only the players in the 3 team league. These teams should also submit Excel electronic registration spreadsheets (rosters) to Baseball Manitoba.
- 1.02.04 Leagues can ask players when they register at the beginning of the year if they want to play in provincials. That pool of players would make the "AA" and "A" teams, and would give them an idea of the number of players available.
- 1.02.05 Team Make-up
In order for the teams to be eligible for provincial competition, the following must occur:
- The "AA" team must have more "AAA" Players than the "A" team
 - No more than 6 "AAA" players on the "AA" team
 - No more than 4 "AAA" players on the "A" team
 - There is no limit to the number of players on the "A" and "AA" teams (except to the maximum allowed on a roster of 18)
 - If there are only enough players to make 1 team, that team must go "AA"
 - With the limit of 6 "AAA" on the "AA" team and 4 "AAA" on the "A" team equaling a maximum of 10 "AAA" players, only "AAA" players can be cut in the forming of these teams. Other players cannot be cut if they want to play "AA" or "A" provincials.

1.03 Individual Team Entry

- 1.03.01 Teams not in an affiliated league because of geographical location may be accepted into "AAA" playoffs only as individual entries upon written application to the Vice-President of Competition. An exception to the "AAA" category must also be made in writing by June 1. The placement of individual entries shall be the decision of the Vice-President of Competition.
- 1.03.02 Any team wishing to apply to compete as an individual entry must do so by the affiliation deadline of June 1st.**
- 1.03.03 If such an application comes from a league which, as a whole, chooses not to affiliate, it shall be denied immediately. Teams should apply for membership through the league, not as an individual entry.
- 1.03.04 Application for individual entry cannot be approved by the Registrar and must go to the Vice-President of Competition for consideration.

1.04 Players

- 1.04.01 All Players in a league must be registered with the M.B.A. and each shall be recorded on the master roster sheets.
- 1.04.02 In Zone I (Winnipeg), "AAA" teams will be allowed to add "AA" or "A" players to their roster. These players are to be available for use at provincial "AAA" championships, following the completion of the "AA" or "A" season.
- 1.04.03 In Zone II (Rural), players must sign an Intent to Play form which will confirm their intention of playing "AAA" and provide the understanding that they will then not be eligible for "AA" or "A" pick-ups.

1.05 Female Players

- 1.05.01 In accordance with Baseball Canada rules, female players can play in male events one calendar year older than the male ages.
- 1.05.02 All rules of the Manitoba Baseball Association regarding the movement of players between area or regions are suspended so that there are no restrictions on the movement of any female ball player from one area or region to another and no permission will be required of any such area or region provided such movement of player is to an all-female baseball team.
- 1.05.03 Any right to transfer to another area or region without any area or region authority shall terminate if the female baseball team to which the player transferred ceases to exist.

1.06 Late Registrations

- 1.06.01 Late Excel electronic registration spreadsheets (rosters) will be accepted up to fourteen days after the closing date. However, any team submitting late rosters shall be fined **\$200.00 for the first week or \$500.00 in the second week**. The Association must receive this fine before a team is considered registered. This applies to individual entries as well. No team will be eligible to compete in Provincial Play if their roster has not been submitted to the Registrar by the later registration deadline. Fines will be assessed to leagues responsible, rather than to specific teams.

2.02 Categories

- "AAA"-Zone 2 League all-star team made up of players who are members of teams within that league. Leagues may also choose to send League "AA" Champion plus pickups, however the League "AA" Champion may not also compete in "AA" Provincials.
- "AAA"-Zone 1 These are teams from the Winnipeg "AAA" Baseball Association (W.A.B.A.). The W.A.B.A. teams are All-Star teams comprised of players from the community clubs or communities in their area.
- "AA" Teams that are comprised of the players within a given community (i.e.) or community club(s), and finish in the top 50% of the "AA"-A league in their area. This may also take the format of a separate "AA" league. Zone 2 leagues may also choose to send their league champion to "AA" provincials and their 2nd place team to "A" provincials.
- Zone 1 "A" Teams that play in a league that is separate from the "AA" Zone 1 teams. These teams will play in a Zone 1 championship only.
- Zone 2 "A" Teams that are comprised of the players within a given community(ies) or community club(s), and finish in the bottom 50% for the "AA-A" league in their area. This may also take the format of a separate "A" league. Zone 2 leagues may also choose to send their league champion to "AA" provincials and their 2nd place team to "A" provincials.

Note: The 50% division is a guideline for determining "AA" and "A" representation. A league or region should use this guideline to equitably place the teams in the correct category. If there is a distinct split of competitiveness amongst the teams, then that should determine "AA" and "A". The intent here is to not have "AA" teams playing at the "A" level.

Wood (and composite) bats can be used at all levels of baseball. If, for example, a 13U "AA" player chooses to use a wood bat, that would be perfectly acceptable. Note that there is no weight to length restriction on wood bats.

4.05.02 "AA" and "A" 15U teams must use the minus 3 (-3) metal bats for "AA" and "A" provincial championships.

4.05.03 Female players in the 15U category are allowed to use -5 bats in the "A", "AA" and "AAA" league play, and Provincial, Western Canada and National Championships.

4.05.04 Baseball Manitoba will follow the Western Canada Baseball Association and Baseball Canada rules regarding bats for WCBA and National Championships.

4.06 Special Rules (Minor)

4.06.01 11U - There is no Provincial "AAA" 11U Competition because there is no sanctioned out-of-province championship for 11U.

4.06.02 11U - As the 11U category competition is open to league teams only, no All-Star teams will be permitted. Leagues found to have formed All-Star teams will not be permitted to enter any teams, and are subject to discipline by the Vice President of Competition. Leagues known to run house leagues will be closely monitored. **NOTE: Bunting is allowed at 11U.**

For all 11U, 13U and 15U "A" and "AA" Regional and Provincial championships, the Everybody Bats rule and Unlimited Substitutions rule will be in effect. The rules are as follows:

4.06.03 **Everybody Bats** - a team will list all the players on their roster and they bat in order. If a player is ejected or injured, their spot in the order is passed with no out declared. Players who are not there at game time are to be placed at the bottom of the batting order when they arrive. It will be up to the coach to advise the umpire & the opposing coach that the player is late. It will then be up to the coach to immediately advise the umpire & the opposing coach when the player arrives so he can be placed into the batting rotation. Until he arrives, his spot will not be counted as an out. Once a team has fewer than 9 players, the game is forfeited.

4.06.04 **Unlimited Substitutions** – players may be inserted or removed from the game in any position (with the exception of the pitching limitations). The re-entry rule is not used.

4.0 - RULES AND RE-ENTRY

- 4.06.05 **5 Run Limit** - For all 11U “A” and “AA” ball, and 13U “A” and “AA” play, a maximum of five runs may be scored by a team in their offensive half of an inning. Once five runs are reached, regardless of the number of outs, the team at bat would take the field and the defensive team would come up to bat. This would apply for all innings except the last inning of the game. This will apply for regional and provincial championships.
- 4.06.06 **6 Run Limit** - For all 15U “A” play, a maximum of six runs may be scored by a team in their offensive half of an inning. Once six runs are reached, regardless of the number of outs, the team at bat would take the field and the defensive team would come up to bat. This would apply for all innings except the last inning of the game. This will apply for regional and provincial championships.
- 4.06.07 **Pitch Count rules** – The Pitch Count Program will replace Innings Pitched for minor age divisions:
- 11U “AA” and “A”
 - 13U “AAA”, “AA”, and “A”
 - 15U “AAA”, “AA”, and “A”
 - 18U “AAA”, “AA” and “A”

This applies for all Regional and Provincial Championships. Baseball Canada Pitch count rules will be followed. (Details in the Appendix of the Baseball Manitoba Handbook and also in the Baseball Canada Rulebook).

- 4.06.08 Baseball Manitoba has adopted the Baseball Canada extra-inning procedure as follows:
- If the game is tied at the completion of regulation (7 innings), the following procedures will be implemented during extra innings:
 - Each team will begin the extra inning (and any subsequent necessary extra innings) with a player on first and second, no outs.
 - The batting order of the extra inning or any subsequent innings will be determined by how the previous inning ended.
 - The traditional system of the visiting team hitting in the top of the inning and the home team hitting in the bottom of the inning will remain in effect until a winner is determined.

Example:

If the last regulation inning ends with the #6 hitter having the last plate appearance, then the extra inning begins the #7 hitter at bat, and the #5 hitter at second base and the #6 hitter at first base.

For the Tie-breaking formula and extra inning rule, only the runs scored/allowed in the regular 7 innings be counted in the run ratio. Do not use the extra inning stats in the tie-breaking formula.

- 4.06.09 **Base running Rule For 11U only** – Runners at 3rd base must be batted home or forced by means of a bases loaded base on balls or hit by pitch. They cannot advance on a passed ball, wild pitch or overthrow on a stolen base. If a runner reaches 3rd base by means of a batted ball they may continue home as a continuous part of the play. They do not have to stop at 3rd and wait for the next play. The intent of this rule is to promote hitting the runner home.

13U Prospects Showcase

The 13U Prospects Showcase is a new venture this year. The purpose of the showcase is to give players that are not on the league “AAA” team an opportunity to develop and participate in a high level of baseball and further develop their skills and interest in the game. The showcase is focused on non-“AAA” players that have a passion for the game and want to reach the next level. While many of the players on the teams may be first-year 13U players, some second year players that do not make the league “AAA” team could make this team. The date of the event is July 21-23, and is being held in Steinbach. All leagues are strongly encouraged to enter a team to facilitate the development of their future players.

In order to maintain the developmental focus of the event there will not be medals or awards handed out based on order of finish and the winning team will not advance to interprovincial competition. Teams may be seeded after the preliminary round(s) to maintain a competitive balance. Regions can enter a regional team, multiple regional teams, or can team up with another region if players are needed to make a team. Each team will have a minimum of 4 games on the weekend, and the entry fee is \$350. **Deadline to register a team or teams is May 15.** For more information, contact Jason Miller, Baseball Manitoba Program Director at 204-925-5765 or baseball.jason@sportmanitoba.ca

3. Must be a registered member of Baseball Manitoba (player, coach, or official).
4. Must complete the application form and submit by the required Friday, July 21, 2017 deadline.
