Wesmen Baseball

Wine & Dine World Tour

Saturday, November 5, 2016 @ 6:00pm

A fundraising evening for the
Winnipeg Wesmen Baseball Team

Proceeds from the event will support the operating expenses of the Wesmen Men's Baseball team for the 2016/2017 season. The Wesmen Baseball team is excited to be entering its third season as a member of the National Association of Intercollegiate Athletics (NAIA) and is 100% self-funded. We are also very proud to be one of only two affiliated university baseball programs in Canada. Please join us as we introduce ourselves to the baseball community in Manitoba and explain why the Wesmen Baseball Program is an excellent opportunity for our Canadian-born baseball players to continue to play the sport they love at the University level right here in Canada, while obtaining a quality education from the University of Winnipeg.

Tickets \$100/person
