

## BASEBALL MANITOBA COVID-19 RETURN TO PLAY

### HEALTH AND SAFETY COORDINATOR CHECKLIST: COMPETITION

#### PRE-SEASON TASKS:

- Obtain the information package from your team's coach or association
- Liaise with your local association regarding the collection of supplies needed
- Ensure that you, or a defined alternate will attend each session
- In conjunction with the coach, use the parent meeting prior to the season to educate families of the Return to Play Guidelines.

#### COMPETITION TASKS:

- Remind all participants at each session of the restrictions, such as:
  - Physical Distancing
  - No sharing of equipment or personal items
  - No spitting, chewing gum, or eating sunflower seeds, etc.
  - No handshakes or high fives
  - No using saliva to moisten fingers
  - Take all garbage home with you
- Monitor arrival and departures to avoid large group gatherings
- Ensure that no more than the required maximum people attend each session
  - There is currently no limit on participant group numbers.
- The number of spectators at an outdoor sporting or recreational facility must not exceed 50% of the usual spectator capacity of the facility.
- Introduce yourself to the umpire as the Health and Safety Coordinator for your team
- Ensure signage is noticeable at the Ballpark. If there is not sufficient signage, ensure that you have signs with hooks that can be used for each competition
- Ensure that all benches and bleachers are clearly marked for Physical Distancing (6 ft)
- Ensure that Hand Sanitizer and Disinfecting Supplies are prepared and ready for use
- Ensure that only the scheduled teams are using the facility
- Ensure all participants who should be wearing a mask do so properly
- Liaise with Ballpark Staff if present
- Supervise all hand sanitizing and equipment disinfecting
- In conjunction with the coaches, monitor participants adherence to the restrictions and ensure extra hand sanitizing is completed when necessary
- If any persons are noticeably and consistently NOT following restrictions, ask them to leave the Ballpark immediately
- Ensure all baseballs and bases are disinfected after each competition
- Ensure players and coaches sanitize their hands if seen touching their face
- Contact tracing is encouraged, but is not required for outdoor competition

**Thank you for your dedication and cooperation. Have a great summer of baseball!**
